Project Name: COST ESTIMATING –
BARNWELL
DECOMMISSIONING
& CLOSURE ACTIVITIES

Project Number: F11-N006-MJ

Location: Barnwell Disposal Facility, Snel-
ling, SC

Applicable SCBO Notes: 1, 4, & 5
**Location at Which Public Notice of
Meetings Will Be Posted:** South Carolina
Energy Office, 1201 Main St.,
Ste. 430, Columbia, SC 29201

Description of Project: The contractor will estimate costs for activities related to closure & decommissioning of parts of the Barnwell radioactive waste disposal facility. Typical activities include permanent capping of disposal trenches, earth contouring for erosion control, & disassembly of buildings. This phase of site decommissioning is expected to last 15 months. Disposal site operator, Chem-Nuclear, LLC, will submit discrete work packages for review prior to launching work. These will include work plans describing the work to be performed & defining responsibilities for its performance; engineering drawing sets defining all items to be constructed or demolished & activities to be performed, including the dimensions, configurations, compositions & other details needed to determine quantities of

materials & labor; specifications that define the required qualities & characteristics of various materials & constructed items; quantities of materials derived from the drawing sets identified above & units of labor required in executing the various tasks described in the work plan; & their respective estimated costs; & the company's own detailed cost estimates for the work. Chem-Nuclear will submit other information that the contractor considers necessary to complete the independent cost estimate. Work packages are expected for the following project activities: (1) Disposal Site Caps, (2) Surface Grading, (3) Project Management & General Support, & (4) Building & Equipment D&D. Contractor may be asked to consult with Chem-Nuclear on the basis for their cost estimates in order to resolve any significant discrepancies between the company's estimate & the contractor's independent estimate. More than one firm may be selected

**Description of All Professional Services
Anticipated for Project:** This solicitation is for specialized services involving cost estimating for a waste facility decommissioning project. The contractor is expected to have the skills & ability to apply professional cost estimating tools & techniques. The contractor is expected to have familiarity with techniques for capping waste disposal trenches, including costs that may be driven by QA/QC requirements of State & Federal agencies

**Information to Be Submitted In
Addition to the Current Standard Federal
Forms 254 & 255:** Bidders should provide detailed information about similar or analogous work performed during the previous five years by personnel who are proposed to be assigned to this project. The Federal government is now using SF330 instead of SF254 & SF255. However, South Carolina

law still requires the use of SF254 & SF255, so these forms must be submitted. A PDF copy of these forms is available on the OSE web site,

SCBO NOTES

Note 1: Resumes from persons or firms interested in providing professional services for the following project shall be received by the Agency Coordinator until the deadline & at the address indicated below. To be considered for selection, persons or firms must be properly licensed, at the time of resume submission, in accordance with the requirements of Chapter 3, Title 40 of the SC Code of Laws, as amended. Resumes shall include a current Federal Standard Form 254 & 255 & shall include the offeror's response to the Selection Criteria listed below.

In accordance with Section 11-35-3215 A business responding to this invitation shall submit a certification with its response stating whether the business is a resident of South Carolina.

The Agency Selection Committee shall evaluate each of the persons or firms interviewed in view of their (a) past performance; (b) the ability of professional personnel; (c) demonstrated ability to meet time & budget requirements; (d) location & knowledge of locality of the project; (e) recent, current & projected work load of the person or firm; (f) creativity & insight related to the project; (g) related experience on similar projects; (h) volume of work awarded by the using agency to the person or firm during the previous five years, with the objective of effectuating an equitable distribution of contracts by the State among qualified firms including Minority Business Enterprises certified by the South Carolina Office of Small & Minority Business Assistance & firms that have not had previous state work; & (i) any other special qualification required pursuant to the solicitation of the using agency, in accordance with the South Carolina Consolidated Procurement Code & Regulations.

In accordance with SC Law Section 11-35-3245, no member of the design team selected for this project will be allowed to perform work as a contractor or subcontractor on this project.

Any actual bidder, offeror, contractor or subcontractor who is aggrieved in connection with the intended award or award of this Contract may protest to the State Engineer in accordance with Section 11-35-4210 of the SC Code of Laws at: CPO, Office of State Engineer, 1201 Main Street, Suite 600, Columbia, SC 29201, EMAIL: protest-ose@mso.state.sc.us.

Note 2: The Bidding Documents for this Project shall be a part of this Invitation for Construction Bids, the same as if incorporated herein. Bid Security & Performance & Labor

& Material Payment Bonds shall be as stated in the Bidding Documents. Failure of the bidder to include proper bid security inside the sealed bid envelope will cause the bid to be non-responsive & not subject to correction. Contractors & Subcontractors shall be licensed at the time of bidding in accordance with the provisions of Chapter 11, Title 40, & applicable regulations of the SC Code of Laws. All questions & correspondence concerning this Invitation shall be addressed to the A/E listed.
 Any actual bidder, offeror, contractor or subcontractor who is aggrieved in connection with the intended award or award of this Contract may protest to the State Engineer in accordance with Section 11-35-4210 of the SC Code of Laws at: CPO, Office of State Engineer, 1201 Main Street, Suite 600, Columbia, SC 29201, EMAIL: protest-ose@mso.state.sc.us.

Note 3: The Bidding Documents for this Project shall be a part of this Request for Construction Quotes, the same as if incorporated herein. Bid Security & Performance & Labor & Material Payment Bonds shall be as stated in the Bidding Documents. Contractors & Subcontractors shall be licensed at the time of bidding in accordance with the provisions of Chapter 11, Title 40, & applicable regulations of the SC Code of Laws. All questions & correspondence concerning this Request shall be addressed to the A/E listed.

Note 4: South Carolina Business Opportunities (SCBO) is the official state government publication for State of South Carolina solicitations authorized by the Office of General Services. Any information on State agency solicitations that is obtained from any other source is unofficial & any reliance placed on such information is at the bidder's sole risk & is without recourse under the South Carolina Consolidated Procurement Code. Prospective bidders or offerors are encouraged to contact the Materials Management Office for information on subscriptions to SCBO.

Note 5: SUBMITTING CONFIDENTIAL INFORMATION: For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged & confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected! If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, & documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, & (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify & hold harmless the State of South Carolina, its officers & employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED".
